

UNLOCKING YOUR POTENTIAL AT REGIS UNIVERSITY

Nestled in Denver with the unmatched backdrop of the Rocky Mountains, Regis University – Colorado's only Jesuit Catholic institution – serves students of all faiths in its mission build a more just and humane world through transformative education. Our community of diverse learners is committed to making a difference and leaving a lasting impact.

Regis has been educating at the frontiers of faith, reason and culture since 1877. In fact, we were one of the first universities in Colorado to offer a fully online degree. Today, we continue to provide working professionals like you with the flexible, high-quality academic programs you need to become a leader in your field.

Read on to discover how you can unlock your fullest potential with a graduate degree from Regis.

ASPIRE TO MORE WITH A COMMUNITY YOU CAN COUNT ON

To unlock your fullest potential, you'll need resources to capitalize on your aspirations. At Regis, we offer a full suite of services to all our students so your time here can be healthy, productive and rewarding. A few key resources are listed below:

Office of Diversity, Equity and Inclusive Excellence

We firmly believe inclusion is the work of every member of the Regis community and a key part of our role is to provide a safe space for students to listen to, learn from and grow with each other. As such, we strive to support all Regis students, faculty and staff in our shared goal of cultivating and maintaining an atmosphere that celebrates our diverse backgrounds, beliefs and perspectives.

Center for Career and Professional Development

At the Center for Career and Professional Development, you can brush up on your interview skills, polish your resume, plan your next career switch and so much more. The best part? These services are available to all Regis community members – even after you graduate.

The Learning Commons

We recognize that everyone learns differently. Whether you're studying on campus or online, The Learning Commons is available to help with writing, subject-specific tutoring, study tips and more, and the Dayton Memorial Library is fully staffed with folks eager to help you succeed.

This is just the beginning. Discover more out about what life at Regis is like and learn more about **[all our student resources here.](#)**

40 FLEXIBLE DEGREE PROGRAMS TO FIT YOUR LIFE AND PASSION

From business to computer science, education to health care and more, whatever your interests, Regis has a program that can help you discover your passion and leave a lasting impact.

Graduate students can **choose from over 40 academic programs**, including advanced certificates, master's degrees and doctorate programs, many of which can be completed online, as well as on campus at our spectacular Front Range locations.

As leaders in online learning for professionals across the country, most programs offer three convenient enrollment start dates in the fall, spring and summer, and our eight-week courses help you stay on track toward earning your graduate degree.

Curious what your degree path could look like? Admissions counselors are standing by to answer all of your questions. Call 800.658.5684 or email us at help@graduate.regis.edu.
